

CAMP NORTHBRIDGE

SUMMER 2026

WELCOME!

Are you on the lookout for exciting and educational summer activities for your children? Look no further! Join us at Camp Northridge, where we have a fantastic lineup of camps led by professional teachers. Our seven-week program runs from June 8 to July 24, offering themed half-day camps for 3-year-olds and full-day options for children aged 4-10. In addition to the engaging camp activities tailored to each theme, campers will enjoy daily recess, lunch, and character building lessons focused around values like compassion, courage, and grace. Each week will also include special activities, such as a thrilling water slide, a magic show, or a petting zoo! Take a moment to explore our offerings and secure a spot for your child's unforgettable summer experience. Registration opens at 8:00 AM on January 30th. Visit our website for the registration link and for general camp information. Enroll campers in the grade level they will enter for the 2026-2027 academic year. Campers in our three-year-old programs must be three years old by the start of camp and fully potty trained.

Pop, fizz, and bubble! This is a hands-on science camp full of exciting experiments and curious discoveries. Campers will mix, pour, and test as they explore reactions, bubbles, and fizzy fun. Each day is packed with messy moments, big reactions, and "wow!" experiences.

WEEK 7

JULY 20-24

Kindness Camp

9:00 A.M.- 4:00 P.M.

Grades: 1st-2nd | \$475.00

Kindness Camp shows campers that being kind can be fun, creative, and powerful. Campers will play cooperative games, take on kindness challenges, and work together on simple service projects like making cards, decorating kindness rocks, and creating dog toys. This camp helps kids build friendships while making the world a little brighter. Kind is cool!

9:00 A.M.- 4:00 P.M.

Grades: 1st-2nd | \$475.00

Little Engineers Lab is a hands-on camp full of building, tinkering and big ideas! Campers will design, build, and test fun creations using everyday materials while tackling silly and exciting engineering challenges. Activities may include building the tallest tower, creating a marble run, designing a bridge for toy cars, and inventing simple machines. Each day is all about trying new ideas, fixing what doesn't work, and having fun while learning how things are built!

Art Unleashed

9:00 A.M.- 4:00 P.M.

Grade: 3rd-5th | \$475.00

Unleash your creativity and let your imagination run wild! Campers will experiment with different art styles, techniques, and materials while creating original works they're proud of. A perfect week for artists who are ready to think big and create fearlessly.

Magic Explorers
